

FabuLingua

A unique (and super fun) storytelling method  for language learning

A Spanish language-learning platform for kids based on beautiful interactive children's stories. Our fun tales will take children on adventures filled with magical characters.

By using kids' natural love of storytelling, learning a second language becomes fun and easy. FabuLingua kids don't ask to 'learn' with the app - they ask to 'play' with it!

Mom's Choice Award: Gold Award

Educational App Store: 5-Star Rating

Company Summary:

FabuLingua was created for families who are seeking a convenient, effective tool to support their language learning goals.

FabuLingua is a unique (and super fun) method to help your child learn a second language through beautiful, interactive stories. Your children will go on fun adventures filled with delightful characters, with new stories narrated by native speakers released each month.

FabuLingua is designed to introduce and reinforce Spanish in a way that subconsciously develops listening, comprehension, pronunciation and reading skills - all while being deeply engaged and having fun!

What Is Unique About FabuLingua?

Our signature method, called Magical Translations™, allows your child to easily comprehend and follow the narrated stories in a relaxed and playful way, which is the ideal state for language acquisition.

Developed by game designers, each FabuLingua story consists of a progression of increasingly challenging modes and reward stickers that grow in value and appeal. There are comprehension games for vocabulary and grammar, fun recording modes for pronunciation, and plenty of room for free, creative play in the Magic Sticker Book.

Founders:

Leslie Omana Begert, President & Co-Founder

The heart and soul of FabuLingua. Her drive, passion for reading stories and appreciation of the importance of heritage led to the creation of FabuLingua and serves as our guiding light.

Mark Begert, CEO & Co-Founder

Charting FabuLingua's course with a steady hand, Mark's strategic thinking, business background and team-building skills will empower FabuLingua to realize Leslie's vision.
